## My Grants

### Walton Education Foundation Classroom Grant Request

[CONTINUE](#)

Walton Education Foundation in partnership with local support from The St. Joe Community Foundation, The Alys Foundation, CHELCO, Florida Power & Light, and together with the Consortium of Florida Education Foundations 'School District Education Foundation Matching Grant' program is proud to offer Walton County School District teachers the Classroom Grant Program. Teachers are invited to apply by making their Classroom Grant Request for specific needs in their classroom or department in the funding range of \$500 - \$1,500 with a goal of bringing creative, purposeful learning opportunities to their students in the same school year. The Classroom Grant Request portal will be open from Monday, September 18th - Tuesday, October 10th.

### YOU MAY WANT TO PRINT THIS PAGE FOR REFERENCE AS YOU COMPLETE YOUR GRANT REQUEST/SUBMISSION.

### AGREEMENT OF UNDERSTANDING & REQUIREMENTS FOR GRANT SUBMISSION

**Upon the submission of this Classroom Grant Request you agree and confirm your understanding of the below listed requirements for the Classroom Grant Program provided by Walton Education Foundation:**

- 1. I understand this Classroom Grant Request includes materials in compliance with school procedures, the Walton County School District policies, and state statutes for usage with my students.**
- 2. I understand and will follow the timeline for grant submissions, grant funding and grant reporting.** Details on grant reporting are included in number 5.
- 3. I understand any items purchased with these grant funds belong to the Walton County School District.** These item(s) can follow the grant recipient if that recipient is transferred to a school within the Walton County School District. If the recipient no longer works for the Walton County School District these items belong to the school where the items were last used. The items purchased are the property of the classroom and school they were purchased for and shall not be taken by the School District or anyone else without the permission of the Walton Education Foundation.
- 4. I have read the "Financial Policy" and understand all grant purchases for my grant will be coordinated through my school's bookkeeper and administrator.** Read and review our "Financial Policy." A copy is available upon request and will be shared when funds are distributed.
- 5. I understand Classroom Grant limits are \$1,000 for a request by 1 teacher and \$1,500 for a request by 2+ teachers submitting the grant.** Not following this financial requirement could result in my grant not being approved for funding.
- 5. I understand all devices that connect to the Walton County School District's network must be approved by the technology department as listed in the "Approved WCSD Technology Device List."** If your device is not approved, your grant will not be reviewed or funded. Please review and adhere to the WCSD approved device list. Please note if item(s) are a small attractive item (tablets, camera, etc.) with a purchase value less than \$500.00 the Foundation will be required to maintain inventory of these items. An audit of the items will be conducted at least once a year. Items that are valued more than \$500.00 will require the school district to issue a property number and items will be added to your school's inventory list.
- 7. I understand that I am required to submit a Final Report by April 1, 2023 to document the success of this project.** Reporting of the grant's success and related records, photos and receipts will be shared through an Impact Report (in FIFI) and a final report (Google Form). Directions for the two final reports will be shared by Walton Education Foundation not later than February 1, 2023. Any questions or reasons for requiring more time must be communicated to The Foundation.
- 3. I understand only one (1) grant may be submitted per teacher and will not copy and paste a grant and submit it multiple times by different teachers in my school.** If you need more than \$1,500 for the group project, please email [info@waltonedfoundation.org](mailto:info@waltonedfoundation.org) for information on how to apply for larger grade level grants.
- 3. I understand if my grant items cannot be purchased due to availability or price change, an item may be substituted with approval by the Foundation and the school administrator.** If not spent, funds may be returned to Walton Education Foundation.
- 3. I understand The Foundation asks that one social media post about my grant be shared on my school's social media platform during the school year.** The post can include other 2022 Classroom Grants funded at your school. Please tag Walton Education Foundation @waltonedfoundation

### GET STARTED - Accessing and Navigating the Find It Fund It Portal

1. Go to the Find It Fund It Walton website and create a new account or enter your Login to access your existing account. <https://finditfunditflorida.com/walton/login/>
2. Please confirm you are aligned with the correct school. If you have changed schools within Walton County School District since the 2023 grant application period, please contact Walton Education Foundation before continuing. If you do not make this change, your requests will be sent to the wrong principal for approval.
3. After login, you will be in your profile account. Please use the menu bar at the top left to navigate through your account. You can check your activity, approval status, submitted projects, drafts, etc. anytime simply by logging into your profile.
4. To create a new request, click on the "Add A Grant Request" button. You will see the Walton Education Foundation grant form. **Pro Tip - We recommend you write your request in Word so you can seamlessly copy/paste your grant into FIFI and edit, correct grammar, and print a copy for your records.**
5. You can "Save as a Draft" once you have completed each section to ensure your information is not lost.
5. By clicking "Submit Request" your grant request has been submitted.
7. Once you submit your request, an email is sent to your principal for their review and approval. Once they have issued approval, The Foundation will approve the request, and you will receive an email that your grant is pending. **Pro Tip - Please remember that it is up to you to make sure your principal approves your projects. If you do not receive approval within a week, we recommend you speak with or email your principal.**

### WRITE YOUR REQUEST - Step-by-Step Directions to Write Your Grant Request

1. Be creative with your **grant title** and include an image related to your Classroom Grant Request.

2. Stay away from internal or educational terminology or reference of standards. Explain your idea as if you're talking to someone who is unfamiliar with education and classroom management.
3. In the "**Goal**" section, state a summary of your project and its objectives and keep your project anonymous. Stay to the point and **do not use references specific to your school like its name, mascot or teacher name**. Volunteers from the community will be reading dozens of grant applications so allow your grant to catch their attention and peak their interest.
4. In the "**What will be done with my students**" section, share your project activities and timeline showing evidence of an organized plan and goal – your plan of attack. As you write, anticipate what questions a reviewer may ask after reading your project goals and activities. For example, "Who will be responsible for the activity," "When will the activity take place," and "What is unique about this activity?" Include how many teachers and students will be impacted by this grant request.
5. In the "**Benefit to my students**" section, provide a list and description of how the proposed project will be evaluated and linked to measurable objectives AND a summary of items you plan to purchase with the grant funds. Your measurable objective can be shared as your **project's outcomes** (changes/improvement in knowledge, behavior, skills, scores) and your **project's outputs** (direct products of your activities, e.g., number/value of supplies distributed e.g. 10 guitars, number of participants, etc.). List the number of students that will be impacted this school year and an estimate of how many students will be impacted in the future as the item(s) are reused. Include how you plan to evaluate your grant whether by using state testing as your benchmark, or grades or performance assessments. You may also use test scores, and survey results as keys to evaluating success.
5. In the "**Items**" section, please list the detail of each item to be purchased and its individual cost. Be prepared to share these items twice (in sections 7 and 8) so the reviewer can see the list. It's simply a system glitch.
7. In the "**Budget Narrative**" section, please list a brief summary of the items to be purchased AND a detail of ALL ITEMS and the estimated total cost of program supplies for your project. Please review the Budget Narrative with your bookkeeper prior to submitting as there may be an option for discount by purchasing through the District. **If you are applying for computers or tablets they must be included on the "Approved Device List" by the Walton County School District. If you are applying for curriculum items, they must meet policy guidelines for the State of Florida and Walton County School District. If you are applying for a grant over \$1,000 you must have a partner teacher.**
3. *Once you have completed each section, click "**Submit Request**" and your grant is complete and ready for review. If you're not ready, you can click "**Save as Draft**."*

### FINAL STRETCH - Your Grant is Submitted, Now What?

---

1. Your grant will be sent to your principal for approval. Remember you need to follow-up with your principal to approve your grant or adjust your grant for approval.
2. The Walton Education Foundation will receive your grant for approval.
3. You will be notified if your Classroom Request is awarded or denied by the end of October.
4. Walton Education Foundation will issue a check to your school. Then your school's bookkeeper will establish an account specifically for your request's purpose.
5. You and your school's bookkeeper are responsible for keeping receipts and purchasing the items following Walton County School District Policies and Procedures. Receipts and reports will be shared with The Foundation in February and April.
5. If your grant application is not funded through this process, it will be posted on the portal website to be shared on social media and other ways for public funding.

### QUESTIONS

---

**If you have a question, please email Lindsey at [info@waltonedfoundation.org](mailto:info@waltonedfoundation.org) or call/text 850-692-9961.**

THANK YOU for your creativity and interest in taking your classroom to the next level by seeking funds from our Classroom Grant Program. We wish you the best of luck!
