What will be done with my | Share your project activities and timeline showing evidence of an organized plan and goal - your plan of attack. As you write, anticipate what questions a reviewer may ask after reading your project goals and activities. For example, "Who will be responsible for the activity," "When will the activity take place," and "What is unique about this activity?" Include how many teachers and students will be impacted by this grant request.

Benefits to my students:

Provide a list and description of how the proposed project will be evaluated and linked to measurable objectives AND a summary of items you plan to purchase with the grant funds. Your measurable objective can be shared as your project's outcomes (changes/improvement in knowledge, behavior, skills, scores) and your project's outputs (direct products of your activities, e.g., number/value of supplies distributed e.g. 10 guitars, number of participants, etc.). List the number of students that will be impacted this school year and an estimate of how many students will be
